## **I. PREDATOR**

## **II. INTERNET LANDSCAPE**

The i-SAFE curriculum has touched over a million students. From over 100,000 surveys we know:

- 12% were asked to meet someone face-to-face.
- 14% received mean or threatening messages while on the Internet.
- 31% visited an inappropriate place on the Internet.
- 31% saw nothing wrong in chatting with strangers online & 50% trusted those with whom they chatted.
- 11% met someone from the Internet face to face.
- 52% said hurtful or angry things to another person online.
- 38% illegally copied music from the Internet.

## **III. I-SAFE SOLUTION-SCHOOL, HOME, FRIENDS, COMMUNITY**
